In Memoriam

Mr. James Phipps was a Christian gentleman, an excellent citizen, and a friend for eighteen years to the students and teachers of Virginia High School.

His services for the welfare of others, his faithfulness to responsibilities assigned, his loyalty to friends and associates, and his devotion to duty stand out and manifest a man of character.

Mr. Phipps taught us how to go the second mile; to know the joy of satisfaction of a job well done; he taught us how to assume the responsibility for a task assigned; he taught us how to smile under difficulties and hardships; and he taught us, in a glorious way, how to serve people and be a good neighbor.

Two things were uppermost in the mind of our friend—his home and his work. These were to him happiness, contentment and satisfaction. The happiness in his work was sensed when teachers and students were warm and comfortable. The satisfaction that he realized in his work was when the building was clean, comfortable, in order and secure. The contentment that he knew was at even-tide, as he looked back on the day, remembering the smiling faces of happy boys and girls and the pleasant and warm smiles of appreciation of kind teachers.

The spirit of our good neighbor moves on out into the great eternity where he shall know greater happiness and unlimited satisfaction, for there the greatest of all teachers, Jesus, shall present him before the Lord of Hosts, and declare to our Heavenly Father:

"Well done, good and faithful servant;—enter thou into the joy of the Lord."

Superintendent of Schools

ADMINISTRATION

OUR SUPERINTENDENT

Joseph B. Van Pelt, B.A., M.A.

Our annual staff and sponsors, with the excellent cooperation of the teachers and students, are to be congratulated upon presenting such an appropriate and beautiful volume of the "Virginian" to the seniors and student body.

As we recognize this 1950 to be the beginning of a new era for America—the leader among the nations, all subject to atomic power with its tremendous implications, may we admonish the seniors and those who are to be the subject of future volumes to consider it their duty to love our country, to support its constitution, to obey its laws, to respect its flag, and defend it against all enemies.

We say to the seniors, in the words of Longfellow when he referred to the "Ship of State":

"Our hearts, our hopes, are all with thee,
Our hearts, our hopes, our prayers, our tears,
Our faith triumphant o'er our fears,
Are all with thee,—are all with thee."

Joseph B. Van Pelt

Mr. Van Pelt

Mr. Hammack

"When the school's last lesson is mastered,
And the classes are tested and tried;
When the stupidest student has vanished,
And the dullest has stepped aside;
We shall rest—and faith, we all need it!—
We shall rest for a moment or two,
Till the wonderful school of Experience
Shall set us to work anew!

Then those who have gone shall be happy;
They shall pass through life's higher grade;
They shall face the world's difficult problems
With countenance unafraid
They shall pass through each test as they meet it
At the sounding of duty's stern call.
They shall work every day—when they have to—
And never be tired at all!

And only the big world shall praise us,
And only the big world shall blame,
Though we work for the joy of the winning,
And climb up the pathway of fame;
For each in his separate calling,
His separate thought must express,
As he follows the gleam as he sees it
To the goal that to him means success."

Class History

In the year nineteen hundred and forty-seven the School Board of Bristol, Virginia, decreed that the school system must consist of twelve grades instead of eleven. Out of this chaos arose a determined but confused group of twenty-six students. We were classified as sophomores although there were not supposed to be any sophomores that year.

We chose Fred Ackerman to lead us through our sophomore year. As Juniors we were twenty-two strong and we were ready for anything that might be given to us to do. After some debate as to our ability, the job of running Miss Virginia High night was given us. This was our chance to prove ourselves in the eyes of the other classes. We worked together and gave a performance rated with the best. We also gave a junior play. With the money we netted from these two enterprises we gave the junior-senior banquet in style.

Without the able help of our sponsor, Miss Evelyn McClellan, we feel that we could not have done these things; for when we were discouraged, she drove us on.

Our president for this year of glory was Meryle Owens. At last we were seniors. Although we were a far cry from the hundred-eleven which graduated the year before, we were still honored by the underclassmen just as much.

We have worked hard to try to keep up with the larger classes and hope that we have done as well as the classes in the past.

We hope that the classes in the future enjoy their school days as much as we have.

JUNIOR CIVITAN CLUB

The Junior Civitans' purpose in our school and community is to promote good citizenship. It has tried to follow this throughout the year and has accomplished many things with the help of the senior sponsor, the Civitan Club and faculty adviser, Coach Louis Kovacs. Working together has been most enjoyable.

The Junior Civitan Club is associated with the International Senior Civitan and works with it. The Junior Civitan keeps in contact with the Senior Civitan by sending two of its members to its meeting and luncheon every Monday.

Under the constitution of the Senior Civitan, the Junior Civitan has a maximum of twenty members; each was chosen by a unanimous vote of the membership.

The Club's project for the year was keeping the trophies and trophy case clean and in neat order. It also sponsored the boys' inter-class tournaments, as well as planned the showing of some movies of the most important football games played by the Virginia High team. The Club had one outing at the first of the year. It was held at Woolwine's Cabin, on Holston River. Several more outings have been planned before the year is over.

Officers for the year were: President, Bunny Saltz; Vice-President, Bobby Jordan; Treasurer, Boyce Goodman; Secretary and Sweetheart, Betty Lowe; Sergeant-at-Arms, Don Almany; Chaplain, Herman Baker; Sponsor, Louis Kovacs. After the first half of the year, Bunny Saltz graduated and the office of president was taken over by Bobby Jordan.

SAFETY PATROL

First row: Trivette, L. Hodge, Shepherd, Mumpower, Percell, Neal, C. Hodge.

Second row: Prichard, Cunningham, Morton, Doggett, I. B. Moore, Sponsor, Stigall, C. Mumpower, E. Wright, J. Wright.

The Safety Patrol is composed of boys whose duty it is to protect the school children at all times. The main duty consists of patrolling certain corners near school where traffic is heavy before school, during lunch and after school. The Patrols, as these members are called, serve as policemen and direct traffic accordingly.

STUDENT COOPERATIVE

The Senior High Student Cooperative Association, commonly called the S.C.A., is the student organization of Virginia High School. It is composed of the sophomore, junior, and senior classes. Bill Henry served as the first president eleven years ago.

Our legislative body consists of the Prefect Council, which meets every day, and the Student Council, which convenes every week. These two groups give students a chance to present their problems and help keep students informed of school activities.

The special projects for this year were to get a much-needed student club room at V.H.S. and send representatives of Virginia High School to the state and district conventions. Promotion of the Honor System and improving the general conduct has been one of the most important and most stressed of the projects. Some of our larger accomplishments were: amending the constitution, selling shakers and badges for the Virginia-Tennessee football game, awarding student letters at graduation to outstanding seniors, selling school supplies, selling hats and tee shirts, keeping the school medicine cabinet supplied and sponsoring our school paper, *The Little Virginian*.

The purposes of the S.C.A. are to promote leadership and good citizenship at Virginia High School and to create a more cooperative spirit between the teachers and the students.

Officers of the 1949-1950 year were: Alice Rouse, President; David Coffey, Vice-President; Mary Stant, Secretary; Rita Witten, Treasurer; and Barbara Gardner, Reporter. Mrs. W. W. Fillinger is the Senior S.C.A. sponsor.

The Junior High Student Cooperative Association was organized in 1941. This organization supplied the well defined need of giving the Junior High pupils a definite part in school training and participation.

At the close of each school year, new officers and council members are chosen by the junior student body for the following year. The officers are chosen on the basis of their scholarship, citizenship, and leadership demonstrations. At the beginning of each school year, after the organization has been set up, goals and projects are established to work for the training and betterment of all. Such goals and projects may include assembly programs, beautification of the school, attendance drives, helping in community drives, encouraging church attendance, and daily devotions in home rooms.

The Junior S.C.A. affords an opportunity for training in leadership and responsibility as well as training in cooperation among pupils and faculty members.

The Junior Student Cooperative Association adheres to the belief that "cleanliness is next to godliness." Our organization keeps this motto in action continuously. It is a project for every year. One of the projects that was financed for the past year was the placing of containers in the halls for the disposal of waste paper.

BOYS' HI-Y

This national religious organization has for its purpose to create, maintain, and extend throughout the school and community, high standards of Christian living. The club serves as the link between high schools and the Young Mens' Christian Association.

The Boys' Hi-Y has had several activities and projects for this year. At Christmas time the club members enjoyed playing Santa Claus to a small boy. Each month it attended Church in a body; thus it visited many denominations.

The Boys' Hi-Y has had a very successful year under Buddy Holloway, President; Kenny Worley, Vice-President; Joe Long, Secretary and Treasurer; Roland Countiss, Sergeant-at-Arms; Betty Bell, Sweetheart; and Mr. Rasnick, Sponsor.

The Girls' Hi-Y is a religious organization; its purpose is to create, maintain and extend throughout the school and community high standards of Christian living.

Its platform is "clean speech, clean sports, clean living and clean scholarship." Its slogan is "service."

In November the club had a benefit card party in the new gym; it was given for the purpose of making money so as to send a representative to the summer Tri-Y Camp. The club has become affiliated with the State Hi-Y organization.

At Christmas time, along with the Foundation Club, the Girls' Hi-Y took a family of four for its Santa Pal.

In January the club had a "Date Night" at which time each member was allowed to bring a date.

In March Easter lilies were sold for the crippled children, and in May it held its final outing at Hungry Mother Park.

The officers for the year were Patsy Lilley, President; Jane Holmes, Vice-President; Marilyn Hecht, Secretary; Ann Poindexter, Treasurer; Margaret McNeer and Nancy Berkley, Reporters. Boyce Goodman was chosen as the Sweetheart and Miss Virginia Thomas is the Sponsor.

KEY CLUB

The Virginia High School Key Club is a part of Key Club International, a club sponsored by Kiwanis International, for "key boys" in high school with the motto, "We Build"; the Key Club strives to develop leadership and prepares its members for good citizenship.

In the beginning, Bristol had one Key Club, established in 1946, with fifteen members each from Virginia High School and Tennessee High School. One of the club's main objectives was to strengthen relationship between the two schools. This year, in order to create more unity and to simplify business, the club has been divided into two separate clubs; one in each of the two high schools. This way, the two schools are bound together by joint meetings and projects, and the two clubs are much more efficient than formerly.

This year the Key Club shared in selling concessions at school, helped in the Red Cross drive, sold tickets for the Kiwanis Minstrel, sponsored an assembly program, sponsored the Spring Recital of Miss Hardinge's Ballet School, gave a dance at school, took a Santa Pal at Christmas, and had other projects.

One of our members, Lee Brantley, was elected Lieutenant-Governor of the ninth division of Key Clubs, and represented the club at the district convention in Louisville, Kentucky.

Miss Alice Rouse, the Sweetheart, and Lyman Reynolds represented the club in the annual beauty contest.

Officers for this year were: President, Sammy Marney; Vice-President, Edward Sanders, Secretary, Lyman Reynolds; Treasurer, Phil Stauber; Sweetheart, Alice Rouse; Faculty Sponsor, Mr. Powers.

BETA CLUB

The Virginia High Chapter of the National Beta Club is an organization of high school students of good mentality and character, creditable achievement, and commendable attitudes.

The Beta Club this year is composed of about forty members; all of whom must have and maintain a B— average in all subjects. New members are selected twice a year, in the fall and in the spring.

Many activities have been carried on during this year; among which the most important were two rummage sales, the annual faculty basketball game, a school dance, and the selling of Easter lilies by the girl members in a drive to raise funds for crippled children. The final activity was attending the State Convention which was held in Richmond, April 21-22.

The Boys' Monogram Club is composed of all boys who have earned a varsity letter in football, basketball, baseball, or track, either as a player, or a manager. The club had a membership this year of approximately thirty members.

The purpose of the club is to promote good school spirit and high morale among the athletic teams.

The Monogram Club is mostly an honor club for the athletes, but it does have some creative functions. The major project of the club this year was to build a new trophy case in the gymnasium, with the help of the Junior Civitan Club. This project was completed this fall.

The Head Football Coach, Mr. Homer Harris, is the sponsor and the members elect their officers early in the fall.

The officers are as follows: President, Lloyd Lilley; Vice-President, Lee Brantley; Secretary, Ann Holloway; Treasurer, Joe Long.

CLUBS

The purpose of the Girls' Monogram Club, which was reorganized in 1949-50, is to plan and execute the intramural sports activities and promote good sportsmanship in the school. To become a member of this club, a girl must have attained a minimum of fifty points, awarded her for participation in the various sports. She may receive a letter, a sweater with stripes and the highest award, a school blanket.

The club not only has charge of the sports activities, but takes part in many of the regular social matters and sponsors outings, dances and assembly programs in the school. In 1949-50 a "Barn Warming" was a great success and the girls entertained their dates on an outing at Hungry Mother Park.

The able leader and sponsor was Mrs. John McJunkin.

The band, under the direction of John Shultz, is composed of 53 members. The aim of the band is to promote good music in the Virginia School System.

The band played for all home games and made trips to Bluefield, West Virginia, Marion, and Richlands. It also represented West Liberty College in the Smoky Mountain Bowl.

Many parades, pep rallies and basketball games saw the band furnishing entertainment and spirit for the student body.

The band attended the District 6 Music Festival held at Narrows on March 25. The Spring Concert was held to an appreciative audience on May 12.

The all state band was held February 10, 11, 12 with a record number attending from Virginia High. They were Sam Marney, Don Smith, Bobby Almany, Billy Davis, Barbara Gardner, Julia Calhoun, Alan Rutherford, Rose Barlow and Robert Calhoun.

The officers are as follows: Barbara Gardner, President; Don Smith, Vice-President; Van Thomas, Secretary; Jim Gose, Treasurer; Alan Rutherford, Librarian.

DIVERSIFIED OCCUPATIONS CLUB

The program of Vocational Education for Diversified Occupations is a part-time cooperative program of education in which the business establishments in the community cooperate with the school by providing work experiences and vocational instruction for a selected number of high school students, who are placed in employment half of each school day. When the student enters the program, he continues to pursue at least two additional academic subjects during each of the remaining years in high school. He spends at least three hours a day working under supervision in some employment, and at least one period each day in school receiving specific information related to the vocation in which he is placed.

One is able to secure sufficient credits for college entrance while taking D.O. Only one hour of class work is required each day, with no outside assignments. Two credits are given for each year's work. The Diversified Occupations Club attempts to expand each student's knowledge and understanding of common problems, to develop stability and self-confidence, to encourage improvement in scholarship, to cultivate a friendly and cooperative spirit among members, parents and employees. There are students training as dental assistants, general office workers, in store management, bakery management, architectural drawing, cabinet making, office, filling station and hotel management.

Delegates were sent to the state convention in Lynchburg in March.

VIRGINIA PARRISH LIBRARY CLUB

The Library Club was organized November 21, 1933, by Miss Annie Aaron. In 1935 the library was named for Mrs. Virginia Parrish, who then became sponsor of the club.

The club, which has varied in size, is composed of student librarians in the high school. This year members of the seventh and eighth grade classes have assisted for short periods of time but have not had membership in the club. The student librarians, who help with routine tasks in the library, serve a population of over 800 at Virginia High, with a book collection of more than 6000 and many other materials, such as pamphlets and magazines. They also help with the processing of books for the elementary school libraries.

SENIOR Y-TEENS

The chief aims of the Y-Teen organization are to develop strong character and promote a better spirit of friendship among our neighbors at home and abroad. Five chapters of Y-Teen girls in Virginia High School have tried to follow these three ideals.

"To find and give the best" is part of their code and to this end the girls have volunteered their services to the organizations whose work makes "Bristol a good place in which to live." The Tag Day drives sponsored by the Bristol Tuberculosis Association, The Bristol Cancer Society, the Veterans of Foreign Wars, "Poppy Day" and the Kiwanis Club "Kid Day" have all been conducted by the Y-Teens. As volunteer workers, they have served many hours in the offices of the Bristol Chapters of the American Red Cross.

To help make Bristol a safer place, the Y-Teens conducted a traffic survey, pointing out the spots where pedestrians were most careless of their own safety.

A joint meeting with our Y-Teen neighbors in Bristol, Tennessee, is held monthly. A council composed of all chapter presidents and advisers directs the work of this group of more than two hundred girls. These groups meet in the Y-Teen club room in the Y.W.C.A.

To our neighbors overseas, the girls have sent gift boxes through the American Red Cross and in cooperation with all Y-Teens they have shipped boxes of chocolate bars.

With the work that has been accomplished there have been many play times, too. Several of the girls attended Y-Teen camp at Hy-Lake and many of the girls attended the Regional Convention at Sullivan High School.

Chapter parties, dances, and picnics will long be remembered, but making other people happy, too, is a very important part of the Y-Teen code and so the girls adopted several children from the Santa Pal list at Christmas, as well as entertaining the children from the Janie Hammitt Home several times throughout the year.

JUNIOR PARRISH-VANCE FOUNDATION

Alpha Chapter

The Junior Parrish-Vance Foundation was organized in 1936 by Miss Jennie Buford Hanson. Its purpose is to cooperate with the school and community in social service work.

The major activity of the Alpha Chapter this year has been to organize a sister club, the Beta Chapter; the institution of which took place on November 16 in recognition of the birthday of Mrs. Virginia Parrish, a former principal of the school.

Other activities have been a joint Christmas project with the Girls' Hi-Y; contributions of Christmas cards to the Veterans' Home in Johnson City, purchase of Easter seals for the benefit of the Virginia Society for Crippled Children; rendering of programs for the Janie Hammitt and Katie Lockett homes; assistance toward the special football edition of the *Little Virginian*, contribution to the March of Dimes.

In December there was a lovely dance at Champe Summerson's beautiful new home, and in the spring a most enjoyable outing.

Officers for the year were: Sylvia Mettatal, President; Patricia Van Hoy, Vice-President; Eloise Swan, Secretary; Betty Bell, Treasurer; Roland Countiss, Sweetheart; and Miss Etta Hillman, Sponsor.

Beta Chapter

The Beta Chapter of the Parrish-Vance Foundation was instituted by the Alpha Chapter on November 16, 1949, in honor of Mrs. Virginia Parrish. The purpose of the Foundation Club is to cooperate with the school and community in social service work.

Since the club has just recently been organized, it has not as yet had many projects. It had a Santa Pal at Christmas, gave a box of Christmas cards to the Veterans' Home, took some of the Janie Hammitt children to a movie, with the aid of two of the Y-Teen members. In April it gave a Sadie Hawkins dance, which was considered very successful.

The officers are: Mary Elizabeth Seneker, President; Anna Trinkle, Vice-President; Mary Wampler, Treasurer; Frances Hawk, Reporter; Arta Jo Montgomery, Sergeant-at-Arms; Joe Long, Sweetheart; and Miss Gillespie, Sponsor.

RED CROSS COUNCILS

Two councils, composed of representatives from all home rooms, plan the Red Cross work of Virginia High School.

The Veterans' Facility in Johnson City has been one of the main projects. Cup cakes and homemade candy have been sent to them several times, as well as Christmas cards, games, prizes, magazines and sacks of Christmas candy.

The Janie Hammitt Home is one of the most popular places for the students to visit. Individual stockings were filled for the children at Christmas, and throughout the year the students have taken them to the movies and sent them gifts of various kinds.

Jr. Red Cross members have taken gifts to the Katie Lockett Home and the children's ward in the hospital. Several visits have been made to the Old Folks' Home and baskets of fruit have been sent to them and to families of our school.

Girls of Virginia High School worked in the Red Cross office, assembling materials for the campaign; they also helped to raise funds for the campaign.

Probably the greatest contribution was made at the Christmas season when organizations in the high school adopted twenty children and their families from the Santa Pal list. Several of these organizations helped the Red Cross to fill the gift boxes to be sent overseas. More than thirty of these boxes were filled and shipped this year.

SPANISH CLUB

The Spanish Neighbors' Club is composed of students who are studying Spanish now or who have had at least one year of Spanish. The purpose of the club is to acquaint the students with the customs, literature, and ways of living of the Spanish-speaking countries. In our meetings on the first Monday of every month our programs have included outside speakers who have told us of trips to the Spanish-speaking countries, movies, and South American students who told us of their "life at home."

Its activities have included two fiestas, one in the form of an outing, and the other in the form of a luncheon at which the menus were printed in Spanish, and the members tried to converse only in Spanish.

The officers are: President, Patsy Lilly, Vice-President, Betty Lowe; Secretary, Elsie Maine; Treasurer, Nancy Berkeley.

Resumé of the Season

September 9:

The Virginia High Bearcats opened the football season of 1949 by defeating a rugged Tazewell team to break a jinx of long standing by a score of 20 to 12. This victory, however, was later given to Tazewell as a forfeit.

September 16:

The Beareats took on an out of district foe, Johnson City, and defeated them by a score of 27 to 0. This put the 'Cats on their way to a very successful season. The Virginia boys showed the kind of blocking and tackling that led the team of 1948 through an excel lent season.

September 20:

The boys in orange and black played host to the Harrison-Chilhowie team from down Knoxville way, and defeated them 20 to 0. Although outweighed man for man, the Bearcats blocked several kicks and passed for the tallies. The Bearcats were paced by strong defensive play.

September 30:

Our squad was host to the William-King squad of Abingdon and took them in their stride by a score of 32 to 6. Our running and passing was a thing of split second timing and almost every play was good for a gain.

October 7:

The Marion Hurricane blew itself out against the Bearcat squad. They fell to the conquering Bearcats in a 32 to 0 contest. This was another district foe under our belts. There were several long runs made by the big three of the backfield.

October 13:

The Bearcats continued to roll on by defeating Elkhorn High of West Virginia. Again the Bearcats faced a team which outweighed them by a wide margin. The Elkhorn team, as a whole, weighed almost a ton, but the boys from Virginia had faced heavy teams before and with speed and deception routed the Elkhorn team 30 to 0.

October 21:

The Virginia High team plowed an old enemy under when they defeated the Richlands High team by a score of 46 to 13. Two other Bearcat touchdowns were called back by penalties. This was one of the best games the squad played.

October 28:

Virginia High finished its district play by defeating the Golden Hurricane of Grundy in a very muddy contest with a score of 32 to 7. Grundy was ahead of the Bearcats at the first of the game. This was the first time any team had led the Bearcats at any point of the game.

November 4:

The Bearcats defeated one of the strongest teams of West Virginia when they downed Beaver High of Bluefield. The score of 33 to 13 would have been larger if two Bearcat touchdowns had not been called back. This game was considered one of the best games we have ever played.

November 11:

The Bearcats faced their city rivals, Tennessee High, with a slight margin to win, but the Vikings started early in the game with a safety off a blocked kick. The Bearcats had met their match and came out on the short of a 15 to 7 score. This defeat, which was the Bearcats' last game, ended our chances for an undefeated season. This was the last game for five Virginia High stars: Saltz, quarterback; Worley, halfback; Lilley, guard; Allison, end; and Holloway, guard.

BASKETBALL

The Virginia High Bearcats under the watchful eye of Mr. Earl Hedrick had a successful season, going the first four games with district teams undefeated. The Virginia quintet had a hot and cold ball club and every team had as its aim to get the Bearcats when they had an "off" night.

Virginia High came out in a tie for sixth place, by winning eight games against six losses in the district. The team drew the top seeded team, Tazewell, for the first game and lost by a score of 55 to 37.

The lettermen of the 1949-50 season are as follows: Elmer Opengari, Lloyd Lilley, Lee Brantley, "Bunny" Saltz, Jack Glover, Dewey Bowers, Bob Jordan, Bob Stuart, Bobby Meade, Phil Stauber, Doug Sheaff and Joe Long.

JUNIOR VARSITY

The Virginia "B" team won five out of twelve games. The games that this fine team lost were usually by a small margin. The scores are as follows:

Virginia	18	Blountville	24	Virginia	29	Grundy	49

BASEBALL

Coach Louis Kovacs did something that no other coach has ever accomplished at Virginia High School, had an undefeated baseball team. The team this year (1948) won the city and district crown, and also beat the Emory and Henry "B" team.

Their victories were due to hard and consecutive hitting. Excellent defensive play, as well as fine pitching, held the opponents to minimum runs. The team was also well trained in the fundamentals, and it had the will to fight for victory when the going got tough. Those graduating from this superb team are as follows: R. C. Blankenship, Bill Allison, Kenny Worley, "Bunny" Saltz, "Doonie" Jessee, Phil Long.

TRACK

Virginia High Bearcats opened the 1949 track season with their crosstown rivals, Tennessee High. The Vikings whipped them on a muddy track by a score of 48-43. The contest was tied up to the last event, the 880 relay.

In a five way meet with Johnson City, Tennessee High, Kingsport and Elizabethton, the Bearcats came out in fourth place, scoring 13 points. Johnson City was the winner, with 54 points.

The Virginia High team came out in fourth place in the Milligan Relays. This was a moral victory for the team, which showed the same spirit that won so many athletic events for the Bearcats in all fields of sports in 1948-49. It was considered an honor because the team entered only nine events and placed in six of them. The members of the mile relay team should have been patted on the back for winning the mile relay.

The Cindermen took the district meet by a score of 85 to 14, with Lebanon High School the only competing team from the district.

In the State track meet Virginia High Bearcats came out in a tie for 5th place. They were paced by John Harrington, who placed in the 100 and 220 yard dashes. Gordon Stuart won third place in the 440 yard run. Also, the mile relay team came in second. This gave them a total of eight points.

Harrington and Stuart won first and second places respectively.

FESTIVAL SNAPS

SENIOR

Although Vivian Meyers is a newcomer to Virginia High, she has become one of the most popular girls in the senior class. Her smiling face has cheered up many a downhearted senior.

Vivian is the class secretary and a member of the Foundation Club.

Georgia Jones is a newcomer also, but she has proven to be a great asset to the senior class. She is keenly on the alert and is always in the thick of a debate or discussion.

Georgia is a member of the Beta Club, Y-Teens, and Dramatics Club. She is also a member of the annual staff and senior class S.C.A. representative.

PERSONALITIES

Spruill Forbush left Bristol at the end of the seventh grade, but returned to us at the beginning of his sophomore year. His return was very fortunate for us, for we have depended upon him for guidance and leadership all along the way. His contributions to the Boys' Hi-Y and Latin Club have been outstanding. His many activities speak for themselves. He was Junior Class Treasurer, best all-round Sophomore and Junior, Class Historian, Business Manager of the *Little Virginian*, and Editor-in-chief of the VIRGINIAN.

Along with his many activities he found time to take part in athletics, having been a member of the track team in his Junior and Senior years.

Rita Witten came to us from Richlands High School in her junior year. Richlands' loss was surely our gain in her case. Mentioning her many activities will tell what a really valuable person she has been to our group and to the school. These activities include Girls' Glee Club, Latin Club, Dramatics, Beta Club, Junior Parrish-Vance Foundation, Head Cheerleader, S.C.A. Treasurer, *Little* Virginian Typist, and Business Manager of the VIRGINIAN. Wherever Rita is, there you will find a leader and a worker.

In Appreciation

Before closing the book and receiving our diplomas, may we express sincere appreciation to the students, faculty, sponsors, photographers, engravers, printers, advertisers—in fact to anyone and everyone who has had a part in making this edition of the VIRGINIAN possible, we say "Thank you for everything you have done."

VIRGINIA INTERMONT COLLEGE

One of 10 Representative Junior Colleges in America

Bristol R. L. BRANTLEY, Pres. Virginia

Senior Class Prophecy

Good evening, Mr. and Mrs. North America and all the ships at sea—let's go to press. Good heavens, look at all the news on this June 5, 1965.

Flash! Joe Louis, the famous prize fighter, lost his title in New York's Madison Square Garden last night to a newcomer to the profession, *Bob Mason*. The new heavyweight champion credited his victory to his excellent manager, Mr. *B. J. James* and to—yes—Wheaties!

Let's take a look at the human side of life. A Mr. and Mrs. *Buddy Holloway* have become proud parents of a baby boy—James Melvin III. What's so exciting about that, you ask? This little fellow completes Buddy and Shorty's football team.

And Capital Air Lines have got their biggest order in their history, their president, *Claude Rigole*, announced today—a ticket to Llasha, Tibet. The high Llama of Tibet has employed a personal dentist, Dr. *Spruill Forbush*. Hah!

A sad goodbye was given to a teacher at a high school today in Virginia. The students of Virginia High School, Bristol, said goodbye to their English teacher, Mrs. W. W. Fillinger. Mrs. Fillinger awarded her successor, Miss *Betty Green*, with a Blue Horse Wrapper lined with gold. The principal, Mr. *Charles Cross*, made a short talk to the students, and the assistant principal, Miss *Vivian Myers*, presented Mrs. Fillinger with a copy of each school paper printed since she has been at Virginia High. Mrs. Fillinger is doing very well tonight, after a mild heart attack this afternoon.

Boys, you can give up now. The famous dancer, *Betty Helms*, has given up dancing for a man—she'll be married tomorrow. Tough luck, fellows.

Jaek Arrants, the famous racer, was in a wreck this afternoon. He blames the accident on carelessness and his "hot rods."

The little girl we've all been wondering about, *Margaret Mumpower*, has finally won. She got her man away from the clutches of the President's secretary, Miss *Bonnie Ball*. Kelly chose Margaret so Bonnie has gone back to Harry.

Miss *Hazel Lambert's* famous restaurant, Hazel's in New York City, was the scene of several celebrities' good times last night. Mr. *Jack Dunlap*, Esquire, the world's greatest architect, *Gladys Cross*, the founder of the Bristol Typing School, and Notre Dame's football coach, *Bunny Saltz* were entertained by *Robert Morton* and his orchestra.

The Brooklyn Dodgers have done it again. Their famous short stop, *Grady Clark*, has broken all records for home runs. And their catcher, *Kenny Worley*, ran him a very close second! Good luck.

The famous "bring 'em back alive" *Elmer Opengari* has captured a saber-toothed tiger in the wilds of Africa. *Fred Carr*, the director of the Bronx Zoo, said he would send his best trainer, *William Pruitt*, to get the supposed extinct animal.

Lloyd Lilley, football coach at S.M.U., will move to the country next week for the health of his wife, Pat. The Lilleys now have four children—girls!

Miss *Virginia Shepherd* (Mrs. Pete Booher offstage) will be starred in "Gentlemen Prefer Blondes," whose first showing will be Friday night. Miss Shepherd has hired *Georgia Jones* as her personal hairdresser. Miss Jones has invented a natural looking peroxide, guaranteed or double your money back.

Rita Witten finally said "yes" to one of her many Emory and Henry suitors, and is now a very successful housewife and community leader.

Ladies and gentlemen of the radio audience, a nice little story about a small town grocer who won $30,000 on a radio program last night. Mr. *Bob Morton* says he and his family will go to Miami for the summer.

And in closing, a human interest story. A captain overseas was reunited today with his wife, the former Miss *Sue Kaylor*. They have been separated while he was doing duty in Timbucktoo.

And now for our sponsor, the class of '50. I wish you all a pleasant future and happiness all your days.

Your Prophet,

Georgia Jones

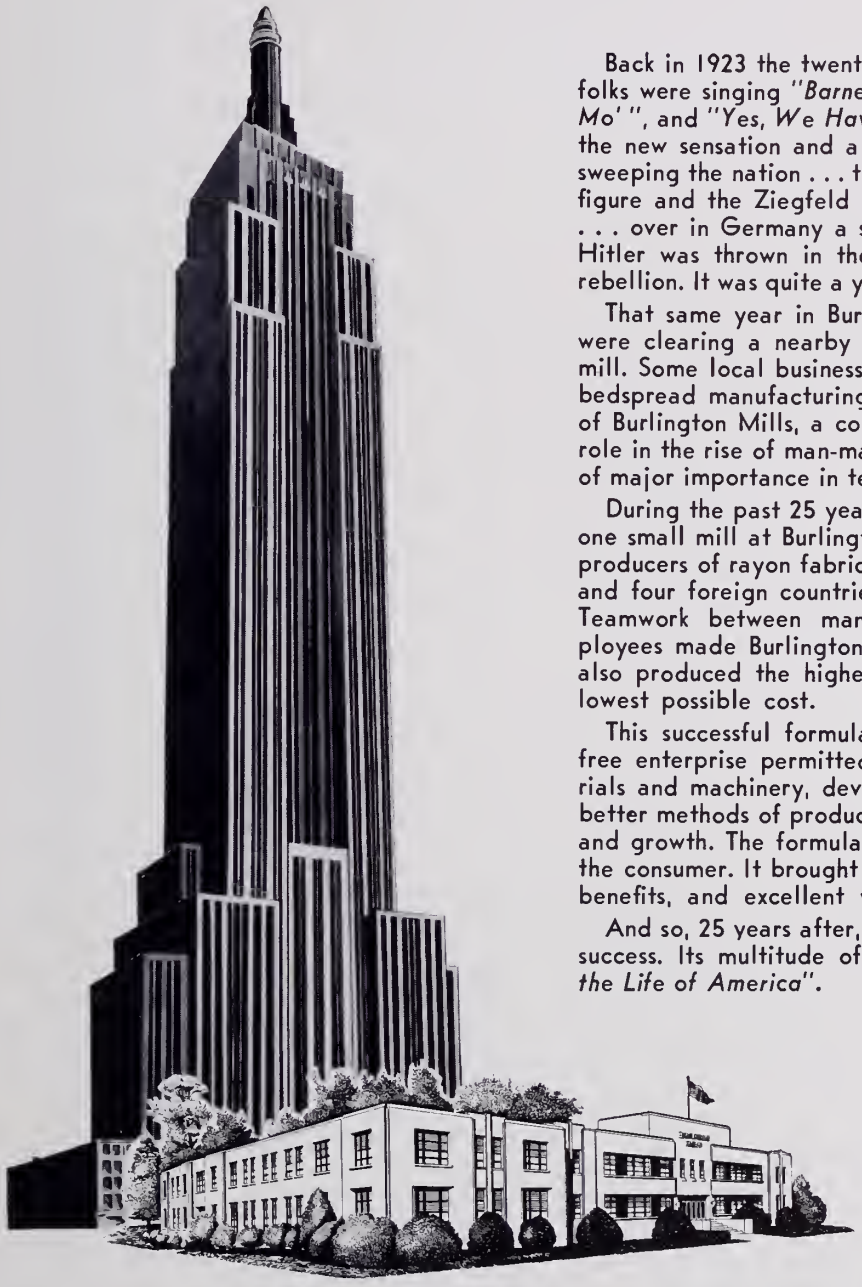
A Short Course in Success



Back in 1923 the twenties were just beginning to roar . . . folks were singing *"Barney Google"*, *"Ain't Goin' Rain No Mo' "*, and *"Yes, We Have No Bananas"* . . . jazz music was the new sensation and a dance called the *Charleston* was sweeping the nation . . . the ladies were striving for a boyish figure and the Ziegfeld Girls were the toast of Broadway . . . over in Germany a scrawny little Nazi named Adolph Hitler was thrown in the clink for fomenting a beer-hall rebellion. It was quite a year.

That same year in Burlington, North Carolina, workmen were clearing a nearby cornfield to build a small textile mill. Some local businessmen were risking their money in a bedspread manufacturing venture. That was the beginning of Burlington Mills, a company destined to play a leading role in the rise of man-made yarn from obscurity to a place of major importance in textiles.

During the past 25 years Burlington Mills has grown from one small mill at Burlington into one of the world's largest producers of rayon fabrics. It now has 74 plants in six states and four foreign countries employing over 27,000 people. Teamwork between management and skilled, loyal employees made Burlington Mills a textile leader. Teamwork also produced the highest quality textile products at the lowest possible cost.

This successful formula was possible because American free enterprise permitted constant improvements in materials and machinery, development of our human resources, better methods of production, and an incentive for progress and growth. The formula brought better quality fabrics to the consumer. It brought better jobs, higher pay, increased benefits, and excellent working conditions to employees.

And so, 25 years after, Burlington Mills wears a badge of success. Its multitude of products are truly *"Woven Into the Life of America"*.

We, the Seniors of Virginia High School, in the year of our Lord, nineteen hundred and fifty, wish to publish our last will and testament.

To the members of the faculty we leave our sincere appreciation for their efforts in our behalf.

To the Juniors we leave all our Senior privileges(?) and best wishes.
